### New Entrants

When your child enrolled at School you received a New Entrant Health Pack. This included a Health form that needs to be completed and returned to the School.

This form tells us the Immunisation status of your child and gives an opportunity to identify any Health concerns you may have. Please feel free to contact me on:  
Bev Johnston, Public Health Nurse, 0800 100 643.

## Duffy SHOW

At the beginning of the Duffy show there were three very vicious dogs that were stealing books because their Master Villain had forced them to steal books. The three dogs scared the teina because they were hunting for the books. When Master Villain got hold of all the books he wanted to burn them. Luckily Duffy chased him and did surprisingly front ward flip off the stage then Master Villain did a wonderful cartwheel. But I thought Duffy's flip was fantastic because of the way he twirled and I also thought his press-ups were amazing because I have never seen anything like it. Master Villain kidnapped Auntie Roha with her blindfold on and in the end she taught Master Villain how to read. So now they all love books!  
Extracts from students in Room 9, Victoria, Jasmine and Devon.

## THE WOMBAT SHOW

The children enjoyed seeing and hearing the different instruments being played. There were instruments you blow, ukuleles and drums. The children sang and clapped and some played the school's ukuleles. Even the teachers played some "Rock and Roll" music on the instruments. The Wombat Show presenter said "Kaikohe West School students were an excellent audience!" The show was very funny, educational and enjoyable.
