### KIWI CAN PROGRAMME

We have just received the news that  
this very positive programme which  
every class participates in weekly for  
30 minutes, will continue for 2010.

The Foundation for Youth Development has been  
successful in finding the majority of funding required  
and our school will contribute \$15.00 per child.  
Kiwi Can provides sound Role Models for our pupils  
and the catch phrases used in lessons are based on  
Respect, Honesty and Pride, helping reinforce values

### “HIWI THE KIWI” GOES FISHING

This show will be performed on Monday at the  
Kaikohe Intermediate School Hall at 9.00am, by  
Mark de Lacey, aka Minstrel. The show is  
based around the conservation theme, water  
safety, sustainability, kai moana and fishing for  
the future, so will connect well to the children's  
studies over the year.

The Board of Trustees and The Friends of the
