HOCKEY

Holiday Hockey Programmes

The BOI Hockey will be hosting a hockey holiday programme. This will be run by Bevan Gibbs of Northland Hockey.

They will be running these on:

Thursday 23rd and Friday 24th April. These programmes will last approx 3 hours (9am – 12 noon) and is all about having fun!!

The programmes are for children from Year 3 – 8.

The cost is \$15.00 per child, per day. If you have a family of 3 or more children that would like to participate, please let Aimee Ruka know and she can look at a family deal for you.

No registration is needed, just turn up and pay on the day.

Novice Hockey

This year we are going to introduce the concept of Novice Hockey. This will be for children aged from 4-7 years old and will be run on Saturday's for an hour. It will teach the children essential skills that they will need to play hockey. The first 40-45 minutes will be skill based (fun of course!) and the last 15 – 20 mins will be a game.

The great thing about it..... It is FREE! Children will NOT have to register.

The more children involved the better!!

Aimee Ruka will be running and coaching this, so if you have any questions regarding Novice Hockey or the Holiday Programmes, feel free to email Aimee on aimeeruka@xtra.co.nz.
