ROOM 5 RECOUNTS **At the Beach**

As soon as I got to the beach I raced to the water.
At first I rode on my boogie. Later on I got out of the water. Finally I had a shower. I was nice and clean.

As soon as we got there, I had to swim to the boat. It was getting deeper and deeper. We swam too far, we could not touch the bottom. Eventually we got to the boat. We could not go fishing because the waves were getting bigger. Finally we put the boat away.

As soon as I got to the beach I hopped out of the van. I asked mum if she could rub some sunblock on my back. At last I got my swimming gear on and ran down to the sea. I jumped right into a big wave. Gradually I got colder and colder until I had to get out and run around.

By Kitahna George

As soon as I got to the beach I ran to the sea. I jumped straight into the water. After my swim I slowly crawled out because it was freezing. Later on I ran to the iceblock man. He gave me a free iceblock. It was freezing but I like being cold.
