PAPER MAKING

The junior classes are learning about recycling and wearable art and this week we have a Paper Making Expert, *Gillian Guthford* working alongside the children in each class.

Kaikohe Intermediate Transition Programme

This is when our Year 6 students visit for two full days, to help ensure a smooth transition between schools next year for our students. These days are planned for the 30th October and the 6th November. Parents and caregivers are most welcome to join their children. Your Year 6 child will be bringing a separate letter home.

Objectives:

- To familiarise students with their teachers for the following year.
- To inform whanau of the school requirements regarding uniform, stationery and enrolments.
- To allow teachers the time to interact with these students over the two days.
- To have a learning programme designed to inform the students of the expectations at Kaikohe Intermediate to ensure a positive start to the 2010 school year.

KAIKOHE JUNIOR RUGBY WILL BE KICKING OFF AGAIN IN 2010.... U7's, U9's, U11's and U13's.

Please register your interest here by completing this form and returning it to school.
